

Requirements for Boat Maintenance

SIGN AND SEND BACK WITH W/S CONTRACT

- 1: This has been a bad year for barnacles. We will only power wash the bottom of the boats any barnacles that are left will have to be scraped off by you. A tarp must be used to collect them for you to dispose of off the property. This is to be done after the boat has been set-up on blocks and stands.
- 2: All sanding must be done with a **dustless** sander and a collection tarp must be placed under boat to collect chips. Sanders can be rented at many local home stores or you can purchase a drywall sanding system.
- 3: **No** powerwashing or wet sanding bottoms.
- 4: Shrinkwrap must be **cut up** into 3ft x 5ft pieces not rolled up in a ball. Framing also must be cut into app. 4ft pieces.

Please **sign** that you have read and understand these rules and **send in** with your winter storage contract.
